VHPM-HP100

VHPM-HP470

Patented product (U.S. Pats. 7637566, 7874612, additional patent pending)

- Printer is positioned up and completely out of the way
- Installs in seconds without tools
- Convenient transport/storage - headrest posts fold flat for temporary in-vehicle stowage or "grab n' go" shelf storage
- Officers can easily retrieve printed documents without losing sight of offender's vehicle

* *The Officejet HP470 has been discontinued by HP and replaced by the Officejet HP100... LEM offers printer mounts for both printers.*

VHPM-HP100 Product Specifications: 13.8 x 7.0 x 1.5 in; black powder-coated 18 gauge steel mount platform; 4 in, solid aluminum headrest posts; weight 1.5 lbs

VHPM-HP470 Product Specifications: 13.6 x 6.6 x 1.5 in; black powder-coated 18 gauge steel mount platform; 4 in, solid aluminum headrest posts; weight 1.5 lbs

Additional Mounting Options- LEM's *Modular Mounting System* provides a simple, economical "from/to" conversion path between three (3) printer mount options: headrest, console, and partition.

VHPM-HP100 (headrest)

VCPM-HP100 (console)

VPPM-HP100 (partition)
